

Magical Minds Studio/COVID-19 SAFETY POLICY AND PROCEDURES

Safety:

Your child's safety is our top priority: Magical Minds Studio will follow all guidelines established by D97, ISBE, IDPH and the CDC. Children and staff will maintain a distance of 6 feet, wear face coverings, wash hands frequently and stay home if unwell to protect the health of others. Students who are unable to meet these guidelines, despite support from our staff to do so, will be removed from the program without refund.

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If your child has any of the above symptoms we ask you to keep them home until it has been approved by a doctor that they are healthy to return. If your child has a fever we ask that your child remain home until they no longer have a fever for at least 48 hours after the fever has gone down.

Parents, please make sure your child is wearing a clean mask. If masks are not disposable, please make sure cloth masks are newly laundered to prevent illness.

All non school related items must remain at home. Please do not send your child with toys or any other item that is not related to remote learning.

COVID-19 Positive Procedures

In the event a staff member or student contracts COVID-19 all families will be notified and Magical Minds Studio will shut down for one day to disinfect the premises.

If more than two people at Magical Minds Studio test positive for COVID-19, Magical Minds Studio will contact the Oak Park Department of Public Health to allow for their staff nurse to conduct contact tracing. We will take all measures to help stop the spread of this virus.
